- Nina will update the notes on what we used, who donated, etc and put it on Google Docs
- Highly recommend a co-chair or helpers for set up
- Faith mentioned for next year, the first day of school we need to provide a treat/snack. This past year, Sarah Elias donated fruit from Elias Market.
- On Open House Night, we buy dinner for the teachers. Last year was salad and pizza purchased from Biaggio. Biaggio delivered. Teachers enjoyed it.

Sciencetellers assembly – Stacey Sanchez

- Stacey said story was hard to follow
- Kids seemed to enjoy it
- They change their story yearly; the owners write the script.
- Would be something to look to repeat in a few years.
- Next year Stacey will be working over the summer to get authors for next year.

New Business

Treasurers Report – Jen MacMurray

- Updated budget report attached.
- At Mrs. Newhard's request, Jen is waiting to pay for yearbooks until they are received.
- Still waiting on gift to school; will likely roll over to next year and make a bigger gift once Mr. G confirms what outdoor items the district will be paying for.
- Over the summer we'll pay annual fees for web site, forwarding emails and Sign Up Genius
- Jen got a CD to hold some of our cash that does not need to be fluid. We'll earn more interest this way. On the CD we'll earn 2.3% instead of 0.03% on our checking account. It comes due June 2020.
